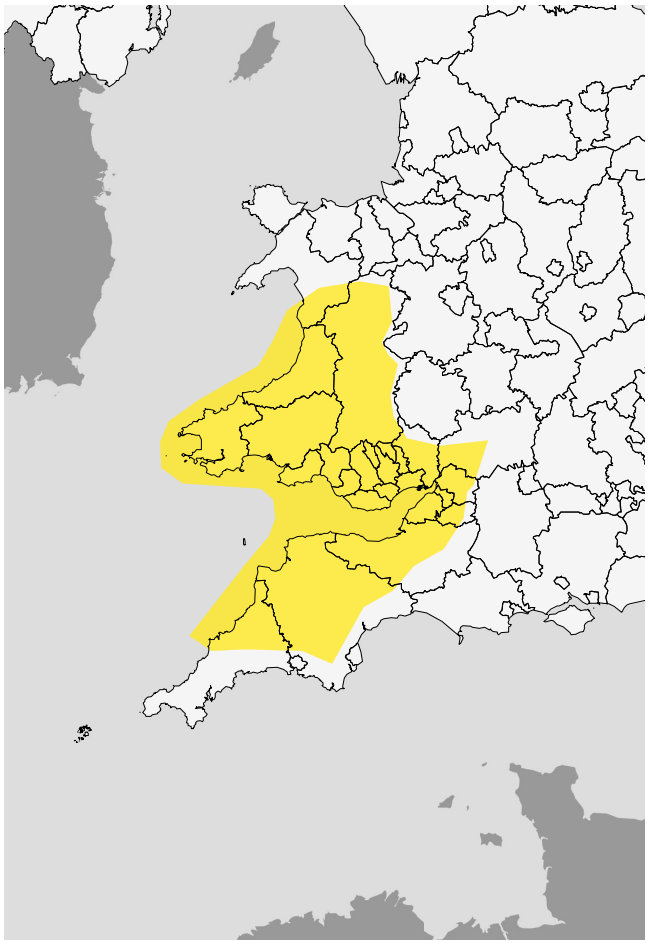
Yellow warning
Rain

Between
06:00 Sat 2 Nov 2019 and
23:59 Sat 2 Nov 2019



There is a chance of further heavy rain on Saturday leading to some flooding and travel disruption.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Yellow warning
Rain

Between
06:00 Sat 2 Nov 2019 and
23:59 Sat 2 Nov 2019

Further details

A spell of heavy rain is expected to develop across western parts of England and Wales, becoming slow-moving in some areas. There remains uncertainty in where the rain becomes prolonged but some locations are likely to see 30-40 mm during the day with isolated totals of 60-80 mm possible over higher ground of Dartmoor, Exmoor and south Wales. Rain is expected to ease through the course of Saturday night.

Reason for update

The warning area has been brought southwards into more of southwest England whilst north Wales and northern England has been removed.

Very low likelihood of medium impacts
